

Storage and Handling Reminder Stickers

In hopes of making it easier to remind your hospital staff not to unplug or turn off power to your vaccine storage units, below we have provided pre-designed signs that can be printed as stickers. Print them on a full page sticker and place them on or next to your storage units!

A yellow rectangular sign with a black border. At the top, there is a red circle with a diagonal slash through it, superimposed over an illustration of a power outlet and a three-prong electrical plug. Below the illustration, the text reads "DO NOT UNPLUG!" in bold black letters, followed by "¡No desconecte el refrigerador!" in bold black letters.

Do NOT adjust refrigerator or freezer temperature controls!

Notify

(Insert name)

If adjustment is necessary.

A circular temperature control knob with numbers 1 through 9 and the word "OFF" around its perimeter. A red circle with a diagonal slash is drawn over the knob.

WARNING!
Expensive Vaccine in Storage!
AVISO! Contiene vacunas caras

DO NOT STOP POWER TO CIRCUIT BREAKER # _____
NO DESCONECTE LA ELECTRICIDAD A EL CIRCUITO # _____
