CONFERENCE RECORD

NINTH ANNUAL DTC CINCS/SERVICES
CB COORDINATION CONFERENCE (U)

1. (U) PURPOSE: This report is a summary of presentations, discussions, and agreements reached at the Ninth Annual DTC CINCS/Services CB Coordination Conference. The conference was held at Dugway Proving Ground, Utah, 22-24 June 1971. Representatives from the Services and Unified and Specified Commands (CINCS) were in attendance, as well as representatives from Deseret Test Center (DTC), Joint Chiefs of Staff, Defense Intelligence Agency, the Office of the U. S. Surgeon General, Central Intelligence Agency, Joint Technical Coordinating Group for Munition Effectiveness, Foreign Science and Technology Center, Naval Science and Technology Intelligence Center, and Department of Agriculture. A roster of attendees is provided in Appendix 1, the conference agenda is given in Appendix 2.

2. [REDACTED] PRESENTATIONS AND DISCUSSIONS:

a. [REDACTED]

[REDACTED]

Since FY 69, the last year in which we had a full program, our operations have decreased from seven safari tests in that year to one joint test conducted in FY 71.
